

Security Plan for CD Release Party/Fundraiser 2009-08-15

Noisebridge

Event Description

- This is a one-night educational event and music concert.
- This is a fundraiser for 501(c)3 Noiserbridge (noisebridge.net).
- We are celebrating the release of artist Moldover's new CD (moldover.com)
- The event is based on the format of the monthly LoveTech party (LoveTechSF.com).
- The event takes place at the Pyramind audio production and training facility (Pyramind.com).

Security Plan

- This is a private event.
- We are hiring a security guard for the duration of the event.
- We are checking IDs and stamping hands at the door.
- Only persons with stamps will be served alcohol
